# GET INVOLVED IN SECTIONS

## CPRA Sections Overview

CPRA Sections offer a wide selection of educational and peer networking opportunities designated by specified areas of the Parks & Recreation industry. All Section events and meetings can be found on the [CPRA calendar](#). Learn more about each Section below:

### AAPS

Active Adult Programming and Services (AAPS) section is composed of those persons who work within adult programming and services including, active adults, seniors, baby boomers, and any person 18 years and older, both in the recreation and therapeutic settings.

AAPS Meetings are held the quarterly at various recreation and therapeutic centers around the state.

### Aquatics

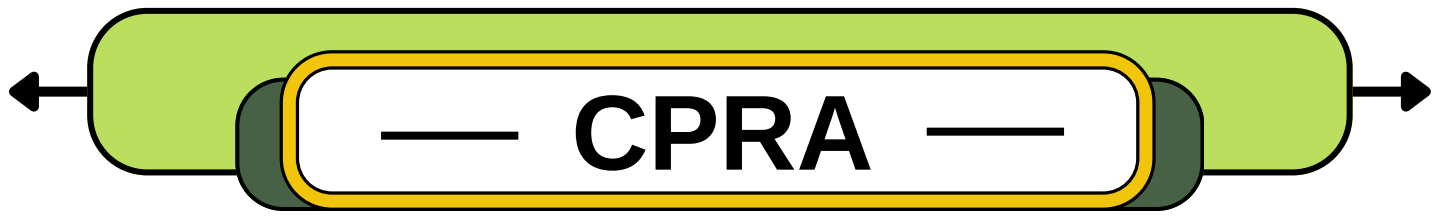

The main purpose of this section is to increase the knowledge and professionalism of those involved in all aspects of aquatics through workshops, meetings and special training events.

Meetings are held the 3rd Tuesday of each month at various recreation/aquatic centers around the state.

[www.cpra-web.org/sections](http://www.cpra-web.org/sections)

# GET INVOLVED IN SECTIONS

## CARA

Colorado Association of Recreational Athletics (CARA) promotes the development of athletics and encourages the standardization of rules and classifications in games and competition. CARA holds local, regional, and state competitions in youth athletics throughout the state.

The CARA Section caters to any and all Parks & Recreation Professionals working in areas related to youth sports and programming. Meetings are held for CARA Section members on the third Wednesday of each month at various recreation centers around the state and virtually.

## Directors

The Directors Section is open to any CPRA member in good standing. This section promotes the profession of parks and recreation through mentoring and professional support of fellow members: by sharing knowledge, best practices, innovations and trends, and by providing educational opportunities.

Meetings are held quarterly, typically on Thursdays in a variety of locations. All section and CPRA members are invited.

[www.cpra-web.org/sections](http://www.cpra-web.org/sections)

# GET INVOLVED IN SECTIONS

## ELN

Emerging Leaders Network is an interest group and a subsection of the Directors section for CPRA. We are open to any CPRA member in good standing. We work in conjunction with the Directors Section to provide networking and career growth opportunities for professionals looking to become stronger leaders in their field.

We hold monthly meetings on the 3rd Thursday of the month as well as quarterly networking events.

## Facility Management

The CPRA Facility Management Section is committed to the development of recreation facility professionals through education, networking, collaboration, and idea-sharing.

We meet quarterly dates, times & locations varying throughout the front range.

[www.cpra-web.org/sections](http://www.cpra-web.org/sections)

# GET INVOLVED IN SECTIONS

## Fitness

The mission of the Fitness Section is to provide education for professionals and the community through Fitness in the Rockies, share program ideas and industry trends, understand the industry through membership support, and enhance fitness/wellness representation within CPRA through networking meetings.

## Parks

This section provides educational workshops and activities for professionals involved with all phases of park maintenance and operation. This section is well known for its Parks Workshop and Trade show in the spring and Equipment Demo Days in the early summer. Meetings are held quarterly throughout the metro area.

[www.cpra-web.org/sections](http://www.cpra-web.org/sections)

# GET INVOLVED IN SECTIONS

## PLAAy

Preschool Licensing Activities and Youth Section (PLAAy) provides recreational and development opportunities for children, youth and teens through a collaborative effort of agencies throughout the state. PLAAy also addresses the unique issues of licensed childcare programs, shares program ideas and provides educational opportunities for professionals. The PLAAy Section meets quarterly and anyone interested in pre-school and school age programming is invited.

## TRSC

The Therapeutic Recreation Society of Colorado (TRSC) serves therapeutic recreation specialist, those programming for special populations and inclusion through professional workshops and regular meetings throughout the year. TRSC strives to provide resources and opportunities for TR practitioners in both community and clinical settings in Colorado. TRSC Meetings are held monthly at various locations around the state.

## WAYS TO ENGAGE

- Utilize the Member Forum

CPRA's Connected Community now has a Reddit-style format. Be sure to join all relevant Lists/Committees to access specific threads, or engage with the membership as a whole through General Discussion. Stay connected and up-to-date on current trends, issues, and conversations with your peers. Ask questions and get feedback too, all from one, simple platform. Check out the Forum User Guide to learn more!

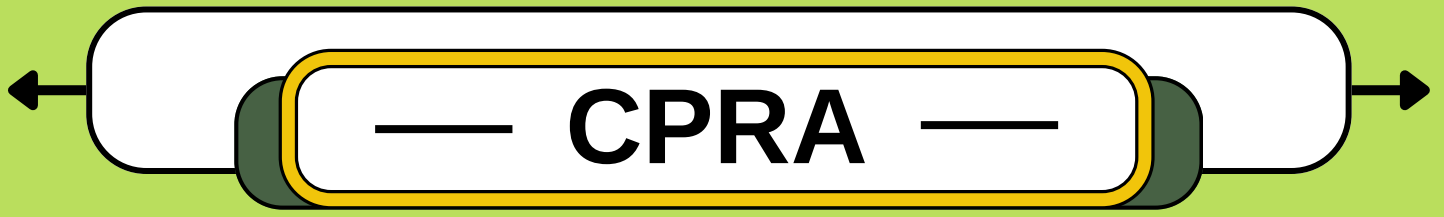

**CLICK HERE** 

- Get Published in the *Byline*

Get yourself a byline in the *Byline*! Who doesn't want to add published author to their resume? The Byline Magazine is a publication from members for members. Bring us your updates and ideas in a full article or as a concept and we'll be happy to help you create something of value to share with your peers in print and online. Learn more at [www.cpra-web.org/publications](http://www.cpra-web.org/publications).

# WAYS TO VOLUNTEER

## **Advance your career and volunteer!**

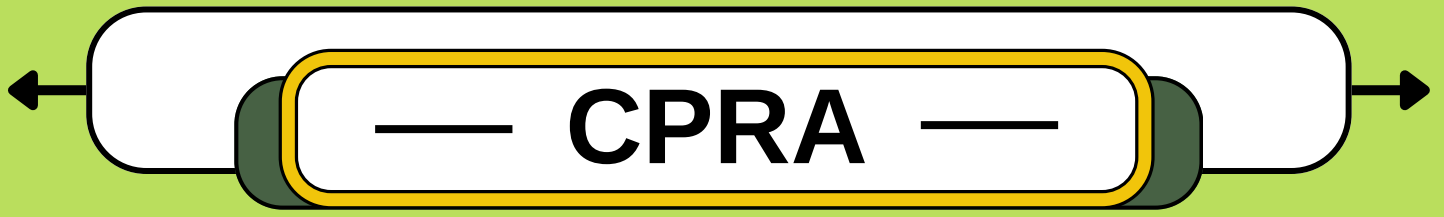

Veteran CPRA members will tell you, volunteering in Sections and on CPRA Boards, Committees, and Task Force groups often leads to career advancement in ways you might not have imagined! Giving back to your association is a surefire way to bolster your resume, prove your dedication to the industry, make vital connections, and get back even more than you give.

1

### **Conference Committee**

CPRA is gearing up for the 2024 Annual Conference on October 28-31 in Keystone. As we prepare to bring together the brightest minds and innovators in parks and recreation, we seek dedicated individuals to join our Conference Committee. As a committee member, you will play a pivotal role in curating the Conference program, selecting speakers and ensuring that the conference is a dynamic platform for learning and networking. This is a fantastic opportunity to contribute your expertise, expand your network, and make a meaningful impact at the Annual Conference. If you're ready to be part of something exciting, we want to hear from you! Please fill out the interest form on the next page, and a member of our team will follow up with more details about the committee.

# WAYS TO VOLUNTEER

2

## Awards Committee

We're working on building a future committee to help streamline the CPRA Awards process. Fill out the form below if you'd like to be added to the communication list!

3

## CEU Committee

Plans are in the works for a future committee to help reorganize the CPRA CEU approval process. Fill out the form below if you'd like to be kept in the loop to assist with this opportunity!

**Want to get involved? Click the button below to fill out an interest form!**

# TESTIMONIALS

— How CPRA Involvement Can Benefit Your Career —

## I Would Not Be Where I Am Today

“I remember my first CPRA Conference in Grand Junction. I kept telling myself: ‘These are my people. These are the professionals that I want to learn from and work with.’ CPRA has enabled me to do just that and I have zero doubts that without the relationships I’ve built through CPRA and the resources they have offered throughout the years, I would not be where I am today.”

**Luke Bolinger, CPRP | At-Large CPRA Board Member | Development & Neighborhood Services Division Manager | Town of Erie**

## Networking Has Been Invaluable

“I truly feel that I am where I am today in my career today due to the many professional growth opportunities that CPRA has provided me over the years. The opportunity to network with other professionals and build my circle of mentors has been invaluable.

I think often when we work within our organizations we find what is comfortable. As we get involved with CPRA and the various sections it opens our eyes and minds to how other people work and to their amazing programs and services they provide to their community. That, at least for me, makes we want to go back and analyze what we do and see if we can do better. That serves us well as a profession and enhances the programs and services we provide to our communities.”

**Clay Shuck | CPRA Board President | Director of Operations, Parks, Recreation, and Senior Services/Emergency Management | City and County of Broomfield**

# TESTIMONIALS

— How CPRA Involvement Can Benefit Your Career —

## CPRA is a Vehicle for Developing

“There is almost no issue that just one agency faces – regular round tables with these groups helped develop a network of leading practices and resources that continues to serve me well today.

With public health regulations changing daily and the challenges of leadership very, very heavy, weekly calls with leaders across the state supported my mental health.

In summary: CPRA is a vehicle for developing:

- Friendships and professional relationships to support your success;
- Professional skills to ensure you’re bringing the latest and leading practices to your organization;”

**Ali Rhodes | CPRA Board President-Elect | Director of Parks and Recreation | City of Boulder Parks & Recreation**

## Energize Your Career

“You will meet and interact with numerous people who work in the parks and recreation industry, which can be extremely valuable. There is a wealth of knowledge, skills, and experience amongst individuals across the state, and building connections with those individuals will give you the opportunity to seek advice, brainstorm, and acquire resources. You may also find an experienced professional to mentor you, which is advantageous both personally and professionally.”

**Nicole Reeves, CPRP | CARA Section Board Rep | Manager | Widefield Parks and Recreation**
